

# TEN MILE LAKE

~ KENFIELD BAY-ANDERSON ~

*Cass County  
Hiram Township  
1998*

John Sumption, the Cass County Environmental Services Director, alerted the Leech Lake Area Watershed Foundation to a property listed for sale on Kenfield Bay on Ten Mile Lake. Before the Foundation or Lake Association could act, the realtor purchased the 1087 feet of lakeshore for \$110,000. A few days later the property was purchased by the Ten Mile Lake association for \$170,000..

The parcel in question had natural springs that produced 1/3 of the recharge water for Tem Mile Lake. Protecting those springs was vitally important to the Ten Mile Lake Association and led them to purchase the property. To this day the property is owned by Ten Mile Lake Association and remains in a wild state!
